**DISC HERNIATION: Back to Basics**  
*Controversies in diagnosis, management and costs*  
**INTERNATIONAL SYMPOSIUM**  
*Brussels, November 16 & 17, 2018*  
**R. Gunzburg & M. Szpalski**

Dear sponsors and potential sponsors,

The next edition of our Brussels International Spine Symposium will be the 25th and will take place on 16 and 17 November 2018 at the BluePoint Brussels. The topic is 'Disc Herniation: Back to Basics'.

As usual there is place for commercial booths. The price for the two-day period is 2.100 €. This includes lunch and coffee breaks for two people. If you will have more than two people at the stand we will charge 50 € a head for the extra catering. There are many separate rooms for workshops, which can take place over lunchtime.

There is also the possibility to have an inside cover-page publicity at 800 € or an inside publicity-page at 600 € for both the program booklet and the abstract book..

This symposium is again being widely announced in most national and international journals of orthopaedics, neurosurgery, anaesthesiology, neurology, rheumatology and physical medicine. A direct mailing goes to all orthopaedic surgeons, neurosurgeons, rheumatologists and physical medicine specialists in Belgium. Accreditation points will be allocated.

Below you will find a reservation form. As we will work on a strictly 'first come first serve basis' we would advise those interested not to wait with returning the form. Please visit our website: [www.spinesymposium.com](http://www.spinesymposium.com)

We look forward to your continuous support.

Yours sincerely,
